### **SMS Management & Technology (SMS) expands its SMS Technology Services division**

SMS today announced the expansion of its SMS Technology Services division in Queensland with the integration of IT PROJECT SERVICES PTY. LTD. (ITPS) business, to enhance its software development capabilities.

ITPS is a Microsoft Certified partner providing a broad range of .NET enterprise services to leading Australian corporations and Government departments. ITPS is a Queensland Government GITCv5 signatory accredited in 10 competencies. ITPS offers a focus on technical project management and enterprise application consulting, systems integration, hosting and implementation and has a specialisation in GIS / Spatial systems.

Commenting on the expanded team, SMS Technology Services Director Jason Young said, 'The ITPS team brings to SMS considerable track record in the development and implementation of .NET solutions and they have a solid reputation for delivering results in the Queensland marketplace.'

ITPS Managing Director Grant Cause said, 'We are excited at the opportunity to join SMS and to combine our extensive experience with the proven track record of one of the most reputable management and technology services companies in Australia. We look forward to assisting SMS to extend its services in the Queensland marketplace.'

The ITPS team will operate from the SMS offices in Brisbane, Queensland.
